Dear Sir/Madam,

My FWO promotor (Prof. Dr. Hans Van Winckel) and I were recently contacted to upload the data management plan for our FWO project (1239522N). I would like to inform that we have postponed this project for two years and that I will start this project in October 2023. This is the reason why we did not upload any data management plan for this year. Please let me know if its okay to proceed like this or if I have to fill in any other form to inform about the postponement of the FWO project.

Thanks for your cooperation,

Kind regards,

Shreeya Shetye
